and emerging leaders.

LENT/EASTER PROGRAM – THANK YOU

Thanks to everyone who contributed to our Lent/Easter program this year – from those who gave generously to Lent Event - to everyone who did the 'Hosanna' palm walk on Palm Sunday or attended 'Tenebrae' and Easter services, including hosting last week's special inter-faith guests from the SAI community. Thanks also to Charlotte, Liz & Mario's daughter, who provided the beautiful artwork for last Sunday's 'Easter Hope' cards - which included a lasting Easter thought from Clive, "He came singing hope, He died singing hope, He arose in silence, For the hope to go on - We must make it our song, You and I be the singers." Ongoing thanks to our PA/Tech team, stewards, those providing morning tea and everyone who contributes on a weekly basis!

THANK YOU & FAREWELL GRAEME

It is with great sadness that we convey the news of Graeme Hayes' sudden passing.

Graeme has worked faithfully as a church steward at Leigh Memorial for many years, including up until a couple of weeks ago. In decades past, he was a leading member of our church's over 21s group, plus a Sunday School teacher and children's/youth leader. Graeme also met his wife Gloria here at Leigh.

In addition to his longstanding association with Leigh Memorial, Graeme grew up and served in many roles at the Northmead Methodist Church and has been a valued member at West Epping Uniting in recent times.

Graeme stayed in contact with Leigh and served as a steward due to his abiding loyalty and affection for our church and its members. As expressed in his own words: "I look forward to helping out every month and keeping in touch with friends I've known for many years."

He was also a dedicated member of the Mission's 'Gloster Udy Society' and a supporter of the Parramatta Mission Heritage Committee. In all such involvements, Graeme's warm smile and genuine greetings to friends and strangers alike – and his high standard of service in all areas – added positively to the life and witness of our congregation and the Mission. He will be greatly missed.

Our love and prayers are extended to Gloria and Graeme's family and friends at this time. "Well Done, Good and Faithful Servant."

John 20: 19-31

19 When it was early evening of that day, the first of the week, and the doors having been shut where the disciples were because of fear of the Jews, Jesus came and stood in their midst and said to them, "Peace be with you". 20 After saying this he pointed out his hands and side to them. Then the disciples, rejoiced, when they saw the Lord. 21 Then he said to them again, "Peace be with you. Just as the Father has sent me even so I send you". 22 After saying this he breathed on them and said "Receive the Holy Spirit" 23 "if you forgive the sins of any they have been forgiven. If you retain the sins of anyone they have been retained". 24 But Thomas, one of the twelve, the one being called the twin, was not with them when Jesus came. 25 Therefore the other disciples told him "We have seen the Lord". But he said to them "Unless I see the marks of the nails in his hands, put my finger into the mark of the nails and put my hands into his side, I will not believe". 26 And after eight days, the disciples were again indoors and Thomas was with them. The doors having been shut, Jesus came out and stood in their midst and said "Peace be with you". 27 Then he said to Thomas "Reach out your finger here and see my hands and reach out your hand and put it in my side, and do not become faithless but believe". 28 Thomas answered and said to him "My Lord and my God". 29 Jesus said to him. "You have believed because you have seen me? Blessed are those who have not seen and have believed". 30 Indeed Jesus did many other signs in the presence of the disciples. 31 But these things have been written in order that you might believe that Jesus is the Christ the Son of God and that believing you might have life in his name.

Reflections

Last Sunday, Easter Day, is not the only day but the traditional day for baptisms and confirmations in the church

Our Leigh Fijian congregation held confirmation classes during Holy Week and then on Easter Day conducted 2 baptisms and 6 confirmations. The celebration continued with lunch in Parramatta Park.

The March Church Council meeting of PM decided that during April the congregations in their worship would include specific prayers for aspects of Parramatta Mission. This week we focus on the HASI programs commenced in 2017 in the Hunter, New England and Mid-North Coast. This included new offices at Taree, Charlestown and Maitland. HASI is designed to support people with a persistent and severe mental illness to live independently and maintain stable housing. Supports are provided via a 'flexible hours' approach, meaning consumers are provided with varied levels of support determined by the individual's current needs. Support may include:

- Assistance with daily living skills including self-care, personal hygiene, cleaning, shopping, cooking and transport
- Support provided within inpatient units to prepare for discharge and ensure a smooth transition to community living
- Attending appointments and complying with medication requirements and other aspects of clinical care
- Supporting in maintaining tenancies or finding suitable accommodation
- And support participating in social, leisure and recreation opportunities (Notes from the PM web site)

Here are some highlights thus far.

- Maitland have initiated a Wellness Group of 2-6 consumers every week going to the local indoor pool for a swim - with the aim of eventually participating in a HASI Wellness Group which will include Cooking Classes.
- Charlestown staff, consumers and family members of staff have together painted an indigenous painting for the Charlestown office to represent the local area.
- Charlestown and Maitland both have a consumer who have recently commenced University Studies!
- A recent successful outing at which a consumer who doesn't normally join outings attended, and won our Easter Egg guessing game and took home the prize!
- Charlestown have had another consumer who used to get anxious in crowds regularly join our social outings and walking groups.
- Maitland team have received two thank you cards from consumers following recent successful social outings.
- Maitland team have been part of the successful transition of a consumer following a 2 year stay in Morisset hospital who has now moved to independent living.
- Maitland team have been supporting a consumer to learn how to cook – who in turn has been teaching another consumer how to cook!

PM Prayer

God of new beginnings,

We pray for the new Parramatta Mission programs in the Hunter Valley, New England and Mid-North Coast, an area that extends from beaches and the large city of Newcastle, to smaller cities, rural towns and hamlets of the Upper Hunter, New England area and Mid-North Coast;

An area with employment that includes fishing, viticulture, tourism, mining, manufacturing, agriculture, health and education, as well as unemployment and retirement;

An area undergoing rapid change with reduction in manufacturing, changes in agriculture, an increase in tourism and retirement living, and an expanding population.

We give thanks for the opportunities for Parramatta Mission to journey with people, providing various supports.

We celebrate the transformation experienced by many, with whom we have provided support.

We pray for all the people engaged through the Parramatta Mission HASI programs.

We pray for staff able to contribute to the lives of people living in their local district.

We pray for the ongoing work of setting up the offices, involving Property, I.T. and Finance, the recruitment processes involving People and Culture, and management extending their reach, and all who have contributed to the establishment of these programs.

We pray for the continuing work of building trust and relationships with local partners, as well as with consumers and their families.

In this season of Easter, we celebrate the risen life of Jesus, whose Spirit works in and through the church and which is a sign of the kingdom of God breaking into the lives of people from all walks of life, bringing light and peace.

We pray for all who are part of the Parramatta Mission community, some who work or volunteer here, others who worship and then go to places of employment, education, family and leisure.

Breathe your Spirit of life and peace on us all, and may we all bring joy to you, through Jesus we pray.

Amen

In an average week at Parramatta Mission's Meals Plus program we provide

364 Breakfasts

21 Showers

701 Lunches

8 laundry loads

According to Census Australia 2016 12.3% of Greater Western Sydney households are in housing stress due to paying more than 30% of household income on rent.

According to homelessness Australia there are 105,237 people in Australia who are homeless with a 20.4 % increase in NSW alone higher than any other state.

Around 24% of homelessness is due to domestic and family violence, higher than any other cause.

74.8 % of homeless people are male and 25.2% female.

Western Sydney population is estimated to hit four million by 2050, meaning the issues of homelessness will grow if we don't act now.

Do you know of anyone caring for a person living with mental health conditions?

If you do, would they be interested in joining a support group?

The Transcultural Mental Health Centre's Carer Support Program has established and facilitated a number of language-specific carer support groups for families and carers from culturally and linguistically diverse (CALD) backgrounds, who live with or care for a family member or friend with a mental health problem. Some of these mental health problems are severe depression, eating disorder, anxiety disorder, bipolar disorder, schizophrenia and all childhood disorders.

The support groups offer information, support and educational activities to carers who are from different cultural and linguistic backgrounds. The groups meet on a monthly basis in different suburbs across the Sydney metropolitan areas.
