

Season of Creation 2021

A JUST HOME FOR ALL PEOPLE

HUMANITY SUNDAY FOCUS VERSE:

Genesis 1:27

“So God created humankind... in the image of God he created them; male and female he created them.”

Babushka Dolls

are often designed to follow a particular theme.

Originally, themes were drawn from fairy tales, Christmas and Easter. Now common themes are floral and relate to nature.

For Russian people one of the ways the dolls are used is to illustrate the unity of body, soul, mind, heart, and spirit.

Why not draw some Babushka dolls with a theme you have thought of? Maybe with some of the plants or animals you love.

*Fill this world with life, as I have filled you with life.
Love your brothers and sisters, every creature and plant.
You were made from love and for love.
May love be your being and your doing*

ACTION:

Write a letter to yourself, telling everything you appreciate about you, inside and out.

Write a letter to a friend or family member each day telling them what you appreciate about them and the good you see shining through their lives.
